Congratulatory Messages

It is my great pleasure to extend my heartiest congratulations to the Hong Kong Association of Family Medicine and Primary Health Care Nurses on the 5th Anniversary. Throughout the years, the Association is providing a platform for primary health care nurses to learn, so as to pursue professional competencies in meeting the increasing service demand and future development in primary health care.

The enhancement of primary health care service is a global trend of nursing development, the Hong Kong Association of Family Medicine and Primary Health Care Nurses symbolizes an important milestone in the quest for sustainable excellence of primary health care services and has strived for determination in fostering a healthy community.

On this joyful occasion, I wish the Hong Kong Association of Family Medicine and Primary Health Care Nurses every success in steering the flagship of providing primary health to our community.

Ms. KU Wai Yin Ellen
